LATONIA WELL PATRONIZED

GREAT CROWD VIEWS GOOD RACING OVER A ROUGH AND DIFFICULT TRACK.

Star Jasmine Victress in the Merchants' Stakes and Is Bid Up-Riders Garner and Taylor Divide the Card.

Cincinnati, O., June, 19.—T. C. McDowell's Star Jusmine accounted for the Merchants' Stakes, worth \$2,240 net to the winner at Latonia this afternoon, but of this amount owner T. C. McDowell was forced to give up \$1,005 to retain the mare. She was in for \$1,500 and was bid up to \$2,500 by W. H. Pearce. She was best of the eight starters engaged in the race and under good riding by M. Garner drew out in the stretch, but had to be urged near the end to outstay Bob Hensley. The latter beat Embroidery for second money and by finishing fourth Bars and Stars saved his stake.

Ideal weather was again the rule but the difficunt track conditions, as a result of yesterday's severe storm, caused many withdrawais. The fifth race so suffered in particular, all the entries with the exception of Mex and Dr. Carmen being scratched, which led to the substitution of another race and the declaring off of the original fifth. The attendance was exceeded only by that of Derby Day. The main topic among horsemen this morning was the ruling delarring G. W. Innes, issued by the stewards yesterday. The horses he trained for J. Spencer were turned over today to W. Perkins, They comprise Blackie Daw and Korfhage, Jockey Dishmen, who was in the employ of Mr. Innes filed suit today against the turfman to recover \$3,000 he alleges to be due for salary. It is rumored that Mr. Innes will appeal to the Kentucky State Racing Commission from the stewards' findings and that the members of the commission will review the case in full next Thursday.

E. T. Colton and E. B. Parsons will ship their stables tonight to Jamaica.

George J. Long and Judge Ollie Young of the Kentucky State Racing Commission paid their first visit to the track this afternoon.

Jefferson Livingston came over today from Chicago en route to New York. His horses, in charge of H. R. Brandt, including Royal H., were shipped to Hamilton, Ont., yesterday. Royal H. will be ridden by J. Loftus in the Hamilton berby and at the close of the racing here.

Tartar Defeats Sam McMeekin and Short Grass in the Valuable Long Beach Handicap.

New York, June 19.—An enormous crowd was at Jamaica today and witnessed the decision of a high-class program, featured by the Long Beach Handicap at a mile and an eighth for three-year-olds and over. The Finn and Stromboli were withdrawn leaving Sam McMeekin, Short Grass, Flying Fairy and Tartar to go. The race resulted in a pretiy contest with the lightly-weighted Tartar proving the winner. Sam McMeekin was rushed into the lead by Byrne and led up the backstretch by a couple of lengths with Tartar in persistent pursuit. Turning for home Tartar, which had steadily moved up, raced into the lead and won rather handily by less than a length. Sam McMeekin was a safe margin in front of the fast-coming Short Grass. The latter was outrun early, but made a fast finish, the short stretches of the Jamaica course probably militating against him. Tartar in winning reduced the track record to the winner.

Frederick Johnson's gigantic three-year-old Ton

1:52. The race was worth \$2,225 net to the winner.

Frederick Johnson's gigantic three-year-old Top o' th' Morning, carrying the high impost of 140 pounds, just lasted long enough to beat Hanovia which only recently graduated from the maiden ranks. The Peep o' bay colt rushed into an early lead, followed by Norse King, but the latter ran wide on the strecth turn. Hanovia then moved up and just failed to get the verdict. Well-backed horses fared well throughout the afterneon.

At a meeting of the stewards of the Jockey Club Friday the ruling against J. W. Hedrick which caused his entries to be refused was terminated.

J. W. Paugh has purchased from Gifford A. Cochran the two-year-olds Prohibition and Corn Broom. He will race them over the half-mile tracks in Canada.

He will race them over the half-mile tracks in Canada.

Horsemen were busy today making entries to the Empire City Stakes which close Monday.

The stewards today fined Frank M. Taylor \$200. This is the aftermath of a controversy Taylor had with E. W. Heffner, trainer for H. C. Hallenbeck, after Blue Thistle, from the Hallenbeck stable, had made a poor showing in the race won by Yankee Notions. Heffner claimed that Taylor had publicly made remarks tending to injure his standing as a trainer and the ruling followed.

STILL MORE RAIN AT CONNAUGHT PARK.

Close Finishes Mark the Racing Despite Muddy Going-Old Fop Again a Winner.

Ottawa, Ont., June 19.—A change in the going at Connaught Park this afternoon gave the mud runners an opportunity. Heavy rains that fell during the morning made the rack muddy and horses that could not run over a heavy track had no chance. Despite the mud, stirring contests resulted and in several of the finishes the winners were first home by small margins. The program was by far the best offered during the meeting, Included in the features were the Livingston Cup, a dash of four and a half furlongs for Canadian-bred two-year-olds; the Sifton Plate, \$1,000 added, a selling handicap, at three-quarters, and a steeple-chase over the short course.

In the Sifton Plate the first three horse finished in a compact bunch with necks and heads separating them. Old Pop came from behind in the Livingston Cup and beat Good Shot a nose in the lavingeston Cup and beat Good Shot a nose in the hinal stride. The second race, which was also for two-year-olds, found another stirring finish in which the extreme outsider Larkin just managed to get up in time to beat the favorite Haria a nose. It was a close thing between the first four in this race. Garter proved easily the best of the small field that went to the post in the steeplechase and won in a canter.

Sam Louis scored a double with Videt and Beau

Sam Louis scored a double with Videt and Bear

Sam Louis scored a double with Videt and Beau Pere.

The stewards today restored jockey Hartwell to full privileges. The investigation of the Cuttyhunk race showed that the boy was not responsible for the horse's poor performance.

The stewards ordered jockey A. Claver not to accept any more mounts during the meeting. He was notified that he was suspended for the rest of the session at Connaught Park for cutting across in front of the others with Liberty Hall in the sixth race yesterday and causing a jam. The officials are determined to stamp out rough riding and notice has been given that the second offense will result in the offender's license being revoked.

Samuel N. Holman, manager of the Dorval and King Edward Park tracks, was a visitor this afternoon. Mr. Holman reports that thirty teams are at work at Dorval and that 2,590 yards of clay are being spread on the track. The first top dressing has already been placed. It is the aim of the association to make Dorval one of the fastest tracks on the continent and Manager Holman says he will keep working until this is accomplished. Applications for stabling for 392 horses have been received up to date for the King Edward Park meeting. The management has found it necessary to build 150 new stalls and a crew of carpenters will be started to work on their construction on Monday. Several stables participating in the racing here have arranged to ship direct to King Edward Park at the conclusion of the Connaught Park meeting.

Hart Dernham came over from Baltimore and will finish out the season on the Canadian tracks, After the two-year-old Tar Brush was beaten in the second race he was claimed by T. J. Bird for \$500.

EMPIRE CITY STAKES FILLING WELL.

New York, June 19.—The stakes and handicaps scheduled to be run off during the coming meeting of the Empire City Racing Association, and which will close for entries tomerrow, have to date received generous response from horsemen, but it is expected that late returns will swell the list considerably. Though nominations last year to these annual fixtures were high-class in quality and quantity, there is a noticeable increase even at this date over those of 1914, due in one sense to the newborn activity in turf affairs hereabouts and in another sense through the popularity of those associated with the destinies of the Empire City Racing Association. The announcement that the Owners Fund would add \$2.000 to the \$3.000 already provided for the Suburban Handicap, bringing the total value of this old-time race up to the \$5.000 mark, makes this big feature one of the richest handicaps of the present day eastern turf fixtures.

Other features than the twelve stakes and handicaps which will be run on the flat, that will make direct appeal to a great number of influential devotees of racing will be the three steeplechase stakes, which have been so arranged that the best timbertoppers in training will be seen under silk.

NOMINATIONS TO A RICH STAKE ASKED.

The Breeders' Futurity of 1917 will be run at the Lexington fall meeting instead of the spring meeting as at present. It will be at a longer distance and with its endowment of added money increased to \$2,500, it will be much more valuable than it has been heretofore. It is now an event that calls urgently for the nomination of every foal in the west, especially in view of the fact that the initial fee is only \$5. Nominations to this important race will close at midnight of Thursday, July 1. It's conditions are fully displayed in this issue of Daily Racing Form.

ONE RACING HOPE THAT FAILED.

Among the measures which failed of passage by the Illinois legislature was the Denvir bill, which, if passed, would have legalized mutuel betting on race tracks with the referendum proviso that before going into effect it must have been voted into life by a majority of the voters of any county at a general election. The bill was favorably reported to the Senate by the committee to which it had been referred.

CURRENT NOTES OF THE TURF.

W. Shields, who some years back was a light-weight rider, is said to now tip the scales at better than 200 pounds.

Six men, arrested for alleged bookmaking at the Jamaica track, have been held in \$500 bail each for examination June 21. All supplied bail.

Jockey J. Loftus was so overcome by weakness from reducing Thursday that he had to cancel riding engagements for that day and take to his bed for recuperation.

bed for recuperation.

Word was received at Jamaica from the St. Mary's Hospital Thursday morning that jockey J. Dreyer, who received a bad fall and broken leg at the Jamaica track a few days ago, was doing as well as could be expected.

At San Francisco Friday a plan for a race track and casino at Tia Juana, Lower California, to cost \$750,000 was discussed by representatives allied with Mexican factions, promoters and capitalists. It was said that the track would open Thanksgiving Day and that necessary capital has been raised.

St. Rock is a half-horther to Priscillian and

and that necessary capital has been raised.

St. Rock is a half-brother to Priscillian and has been rumored to be the best of the Belmont two-year-olds. His running in his race of Thursday did little to establish the accuracy of the rumor, but the Rock Sands are not as a rule pre-cocious and he may show to better advantage presently. One account said that he sulked in his race, which would be a bad sign, if true.

LOOK WHO'S HERE! GEO. L. STRANG

I am on the job at Latonia and watching things myself—not sitting in an office guessing borses for your money. Any time I send you a horse he will come down in front, barring racing luck, as there is no "sure thing" in racing. I am offering the balance of the Latonia meeting—twelve days—for \$10. One horse a day. Have several "sieepers" on tap for you that will win at a good price. Send for code at once.
